

## **2018 Goals for the Parking, Access, and Transportation Committee**

- 1) Create a Quarterly Parking Report highlighting the Broxton Structure, Express Park Data, the upcoming \$5 After 5PM program, and pricing information for private parking
- 2) Implement \$5 After 5PM parking program
- 3) Establish a Parking Benefit District within the WBID boundaries
- 4) Encourage investment in the Broxton Structure retail spaces
- 5) Improve the maintenance and general cleanliness of the Broxton Structure
- 6) Collect occupancy data for the Broxton Structure. Use data to direct improved operations
- 7) Continued oversight of Express Park program
- 8) Encourage the implementation of Gayley Ave bike lanes, and greater connectivity beyond the district
- 9) Review current district parking requirements and potentially propose recommendations to amend
- 10) Update district-wide parking assessment.
- 11) Remove Lindbrook taxi stand
- 12) Coordinate with Metro to advocate for the district during Purple Line construction
